In the subsequent enquiry also held in accordance with the C.C. no 2074-85 dy 2/8/01, the Inamdar's title to the toddy rev. has been established.

The Excise Comr concurs with the settlement Offr in the Asstt Comr's Parawanai dy 2 the dy Comr states that the Inamdar is entitled to the Excise rev. from toddy under the general items from 1892/93 subject to rules 2, 3, 5, 6 & 12

Though the rule is not clear as to whether the establishment charge is to be calculated upon the gross or net realization, what has been done by the Collector in the present case seems reasonable -

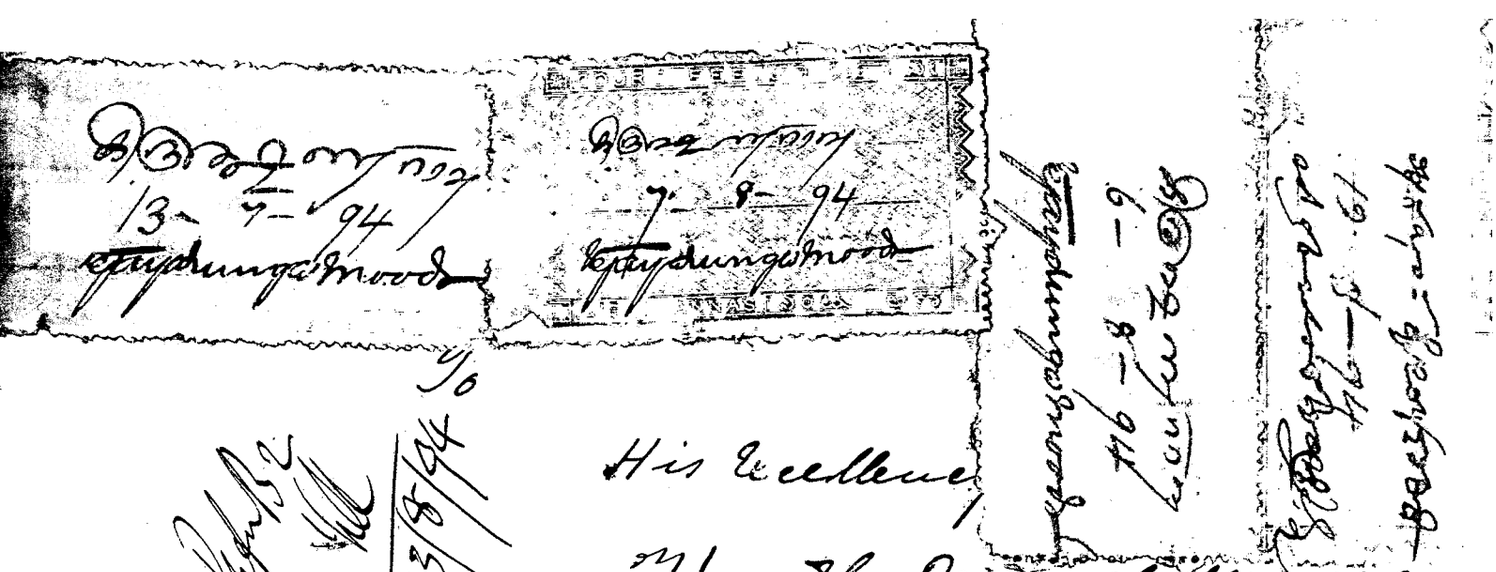
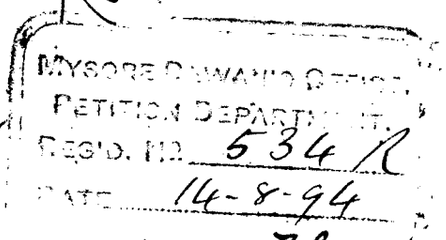
Lutchmi Narasimha press Mysore,



His Excellency

The Dewan of Mysore

in Council



The Appeal of Krishna Rao son of Bhagavantha Rao, Kayamgutta-dar of the Village Muddanerla Kere in the Taluq of Madagiri, Tumkur District.

Respectfully Sheweth

That your Petitioner was by a notice dated 11th June 1894 directed to appear before the Deputy Commissioner with any original Sanads, Neroopa, Shasana, Muchalikas, Receipts Karars and other documents he may have with reference to the todday Revenue of his the said Kayamgutta Village.

2. On the 19th ultimo he accordingly

appeared with such papers as he could lay his hands on, and the Deputy Commissioner without giving him an opportunity of producing all his papers and without examining any witnesses passed his decission Vide memo, copy of which is herewith Submitted.

3. Your Excellency will notice that the Deputy Commissioner himself admits that Petitioner and his predecessors had enjoyed the tody Revenue of the Village ever since 1831-32 upto 1882-83 and States that the evidence produced for the period between 1851-52 & 1882-83 were "Huttoovalee Chittas."

4. Your Petitioner has been a resident of Toorukoor where he is in Government Service as Taluq Revenue Gumasta. His father who was over 70 Years old was in the Village looking after it and mana ing. He died at the

end of last year leaving all the papers in confusion and your Petitioner has not found time proper to examine and arrange them. Your Petitioner represented these circumstances to the Deputy Commissioner and prayed to be allowed time to do so but this, it had pleased him to refuse, and to dispose of the matter merely on what was before him.

5. Petitioner was and is in a position to produce any amount of evidence both documentary and oral as to the continued enjoyment of the Revenue by his father and Predecessors up to 1892-93, when Government undertook to sell the farm by Public Sale for and on behalf of the Kayamkuttadars.

6. Your Petitioner's Predecessors have had continuous and uninterrupted enjoyment of

the prevelege for a period of 62 years.

7. It is indeed hard upon the Kayangattadars to be called upon to prove their title after Government entertained upon possession on the understanding that it was done so on behalf of the Kayangattadars

8. However this may be. Your Petitioner hereby submits that it has always been ruled by Government in such cases that long and continued possession for a period over 30 years will not be disturbed. Even in the days of the Commission this was the rule and in support of this Your Petitioner refers to the Proceedings of the Chief Commissioner No. 363 of 20th March 1877 as regards the Jodi Village of Shwanagere in the Mudagan vanny

9. Recently the same Deputy Commissioner went on the same principles as regards the Body

Revenue of Jodr Advce Nayenhalli Shivampere and Jodr Garu; but as to why he has differently dealt with the Petitioner, he respectfully submits he is unable to understand. In common ~~frame~~ fairness Your Petitioner ought to have been allowed time to produce all his other documentary and oral evidence before coming to a decision on a matter so highly important to Petitioner and his successors for ever

10. If Your Excellency in Council should deem that such evidence as has been already produced be insufficient to decide in Petitioners favor, Petitioner prays that the Deputy Commissioner may be directed to take such further evidence as may be forthcoming and submit the same to Your Excellency

11. Petitioner in conclusion further submits that the ~~ques~~

of proof really rested on Government to show that there was any adverse enjoyment or interruption, whereas Government records not only do not show that, but clearly go to prove that Government never enjoyed the right since 1831-32. i.e for 60 years back.

Petitioner prays that the Deputy Commissioners order may be set aside and justice done to Petitioner for which Petitioner shall ever pray.

Memo

1 The holder of the Kayamgutta village of Inddanelakere in the Inaddagiri Taluk lays claim to the toddy revenue of that village. Enquiry was held to day as to whether such a claim is admissible.

2 There is a toddy shop in the village. A date grove is stated to have also once existed in it. A fresh one is, however, being reared up by the Inamdar.

3 As stated in a Sirpa of the 16th March 1830 from Fowzdar Sunnappa Rajah to Amildar Venkatakrishnaya of Inaddagiri, this village was granted on Kayam gutta tenure to one Krishnaiya (grand father of the present holder) by His Highness the late Maha-raja in the year Virodhi (1829).

4 In the above Sirpa, which is, however, the only document produced by the Inamdar as referring to the alienation the items of revenue conceded

to the grantee are not specified, nor is any provision made in it expressly authorizing the collection of toddy revenue.

5. The Inamdar has deposed that this item of revenue was for sometime in the enjoyment of his family from the date of the grant and in proof of it produced certain original Imchalikas and accounts.

6 These Imchalikas refer to the years 1830-31, 1831-32, 1832-33, 1833-34, and 1847-48. They are all agreements executed by Edigers to have the lease of the Shandee Dukan of the village for an annual rental ranging from 1 to 17 Pagodas. The Imchalikas of 1833-34 and 1847-48 respectively cover a period of 5 and 4 years so that the last one extended to the year 1851-52.

7 The accounts referred to above are Huttavallee Chittas or statements giving the assets of the village for the years 1831-32, 1832-33, 1833-34, 1836-37, 1847-48 1852-53, 1857-58, 1872-73 and 1882-83. In these

accounts entries of credit are made for the receipts of the Shandle Durkai which is varied from 1 to 17 Pagodas as stated in para 6.

8 But with the exception of the Muttavan Chittas for the four years of 1852-53, 1857-58, 1872-73, and 1882-83 no other evidence was produced in proof of the enjoyment of the right subsequent to 1851-52. The Inamdar stated that the documents of that period were mislaid.

9 The Inam Department has not recognized the claim of the Inamdar to the toddy revenue of the village

10 The Inamdar is thus not entitled to this item of revenue either under the original Sunnad or under the Inam settlement

11 The right of selling toddy in the village vests therefore in Government

12 This right was sold by Government in the past two years respectively for Rupees 625-8-9 and Rupees 602-7-

inclusure of local cers.

To the Service Commissioner

Sir,

With reference to your official memorandum No: 7527/111, dated 2nd May 1898, calling for report upon a petition from Krishnadow, Kayemguttadar of Emddonnalakere Village in the Madagere Taluk, in the matter of the Toddy Revenue of that Village, I have the honor to state as follows:-

2. The Kayemguttadar's right to the toddy revenue has been recognised by the Inam Department, as well as by the Deputy Commissioner as the result of the enquiry conducted by the latter in accordance with Government Proceedings No: 443-51/269, dated 11th July 1893. The Kayemguttadar is accordingly entitled to the revenue derived by the rent of the right of Vend in the toddy shops in the Kayemgutta village. The sale proceeds of the shops in question from the year 1892-93 to 1896-97 inclusive amount to Rupees 2792-12-0 as noted in the margin.

X.

margin. Out of this amount Rupees 2040, have been advanced ——— to the Kayenguttadar in accordance with Govt. Nos: Nos 9288/280 and 2146-55/Ex 79 dated 8th April 1896 and 24th August 1897, respectively, leaving a balance of Rs 752-12-0, the payment of which he now claims.

X.

1892-93 = 596-0-0.
1893-94 = 708-12-0.
1894-95 = 528-0-0.
1895-96 = 480-0-0.
1896-97 = 480-0-0.
Total = 2792-12-0.

3 The Kayenguttha shop is supplied with toddy partly from Government Tenants and partly from trees on occupied land. As regards the latter, the renter made his own arrangements with the occupants, but paid nothing to Government for the Government trees he used. Enquiries made as regards the number of Government trees used for the supply of the Kayanguttha shop, shew that in the years 1892-93 and 1893-94, 600 and 750 Government trees respectively were tapped, that in the year 1894-95, the supply was entirely drawn from occupied land,

———————, that in the next year (1895-96.) a Government grove was set apart for the use of the shop for a rental of Rupees 1 and that in 1896-97, 163 Govt.

trees

trees were tapped. The Government are fairly entitled to a royalty for the use of the 1513 trees in Govt Vanams for the supply of the shop, in the years 1892-93, 1893-94 and 1894-95. Calculating the royalty at the low figure of annas per tree, the amount which has to be credited to Government — aggregates to Rs 567-6-0

4. In addition to this, a deduction of five per cent viz Rs 140 has to be made for expenses of management

5. It will thus be seen that the amount withheld from Petitioner is just sufficient to meet the demands on behalf of Government referred to in paras 3 and 4.

6. The petition under reference is herewith returned.

Sir,

In continuation of this office letter No.3370/337, dated 23rd February 1896, and with reference to your docket No.785/M, dated 8th instant, I have the honor to submit herewith copy of the Tumkur District Deputy Commissioner's docket No. 760/M, dated 4th December 1902, together with its enclosures, and to state that I concur in the Deputy Commissioner's opinion that the Kayamguthadar of Muddanerlakere village in the Maddagiri taluk, is entitled to Excise Revenue from toddy. The village has a toddy shop, but has no date groves. Accordingly the Kayamguthadar is entitled to payments of Excise Revenue from Toddy under the several systems from the year 1892-93, subject to Rules 2,3,5,6 and 12 in Government Proceedings No.2074-97/ R.F.166-98, dated 2nd August 1901.

payable to the Inamdar. The present Kayamgutadar Krishna Rao is the son of Bhagavanta Rao named in the Quit-rent Register.

2. The amount due to the Kayam-gutadar has been wrongly calculated at Rs 4141-12-9 while the actual amount is Rs 4201-12-10 as per calculation table

3. The Inam Commissioner has fully recognised the title of the Kayamgutadar to the toddy revenue of the village in the settlement Register under date 7th June 1894. The certified extracts produced by the Kayam gutadar also clearly show that the Sendi Gutige amount was included in the

the assets of the Village and the Jkayamgutta amount was fixed with reference to the total Beriz of the Village. These Chittas are forwarded herewith for reference and favour of return when no longer required

Order

Though the title deed does not Expressly concede Excise Revenue the Berigthan and long Enjoyment and the recognition of the Inamdars right by the Inam Superintendent prove beyond doubt that Krishna Rao is Entitled to Excise Revenue. During the years 1897-98 to 1900-1901 the Revenue from the Inam shop was £310 Rs 12 as.- Adding to this the tree tax on trees tapped for this shop in Government groves during 1898-99 to 1900-1901 and

declining tree rent due to
Government on trees tapped
for the shop together with six
per cent for Establishment charges,
the ~~Rs 41-11-9~~ amount due to
the Inamdar up to the end
1900-1901 is Rs 4201-12-0 of which
2846 Rs have been advanced
I award him the balance
